

Michael Serafian
Gen Carter

July 7, 1968

Dear Murray:

Enclosed is an article by our pseudonymous Michael Serafian which will appear in the September issue of Harper's Magazine. This may preclude its publication in London, but I thought you ought to see it and might wish to show it to Peter Nathan. You might also tell Peter that I shall bring with me, I hope, the outline which we have agreed upon for the book now in progress by M. S. I will explain in person the entire problem dealing with the signature on the book.

As ever,

Roger W. Straus, Jr.
